Ontario, L5G4T8

This executive townhome epitomizes contemporary living in the vibrant Port Credit Village area, celebrated for its array of restaurants, boutiques, and convenient access to amenities such as the GO Station, Farmers Market, parks, Waterfront Trail, and the lake. Spanning three stories, this end-unit townhome features 3/4" Canadian oak hardwood floors, 9 plaster cornice moldings, LED pot lights, solid core double shaker slab interior doors, and a sleek fireplace in the living room. Staircase boasts upgraded steps, spindles, and handrails, while the bathrooms have been fully renovated. Carrier central air conditioner (2018), Smart Nest thermostat, Nest doorbell with camera, motion sensor lights, and a newer roof (2018). The kitchen is a chefs delight, with white cabinetry, quartz counters, high-end S/S appliances, and a French door walk-out to the deck. Adjacent to the kitchen, the breakfast area showcases built-in cabinetry with illuminated display cabinets and a second walk-out to deck.

**** EXTRAS **** The third level serves as a private retreat. A large retractable awning spans the entire deck, offering shade and privacy. Situated south of Lakeshore, embrace the coveted lifestyle this luxury end-unit townhome offers. (id:54154)
